**Sewing Instructions:** 1) Remove two gold buttons and replace with black satin buttons (provided) on the left side of the jacket. 2) Remove the shoulder pads. 3) Fold the black lapel crisply so that it is flat against the white jacket on both sides. Sew the edges of the lapel to the white jacket so they lay flat on both sides. 4) Tack the black collar to the jacket so that it does not flip up. 5) If needed, take the jacket in on the side seams and/or the right and left seams on the back of the jacket to give it a fitted appearance (See Picture). 6) Tack down the white pocket flaps on each side to prevent them from flipping up. 7) If needed, hem the bottom of the jacket to shorten the length. If the length needed to be modified, Ms. Abigail marked this with pins. Check with your individual dancer. 8) If needed, hem the bottom of the sleeves so the jacket just covers the wrist bone. 9) Ms. Abigail looked at each dancer's pants. Some needed to be hemmed, and the length was marked with pins. Check with your individual dancer.
