

HAIR

Every female student will wear the same hairstyle for this year's production. Hair will be pulled straight back in the front, including bangs. There should be no part. Any hair left hanging on the base of the neck should be pinned into the bun. It is often easiest to slightly wet hair and apply gel when pulling hair back. Cover the bun with an invisible hairnet that matches the hair color and heavily hairspray. Please see the pictures below to use as a guide for the placement of the bun on the back of the head.
